Donation Request

Hello!

We are the **Sonoma State Equestrian Team**. We were chartered in 2008 with the inhibition of four young women and today our team has grown to approximately thirty members. We are a diverse group that has come together to share the love of horsemanship. The team is a collaboration of English and Western style riding. We all compete within Intercollegiate Horse Show Association. In 2017, we were able to send two girls to New York to compete in the Semi-National Finals for Western. In 2018, we sent two girls to Pennsylvania for the National English Finals. This year we have hopes to travel to Florida and Kentucky.

Any and all donations received will be used to help us travel and compete. We are a small school that is competitive enough to compete against bigger schools such as Stanford, UC Davis, and Cal Poly. Just a small donation will help us accomplish our goals.

Contributions can be sent to Sonoma State University at the address above, with checks payable to Sonoma State Equestrian Team. If the donations are items we can arrange to pick them up. Our Tax ID number is 68-0338225.

The **Sonoma State Equestrian Team** would like to thank you in advanced for your support!

Sincerely,

Marissa Mullins
President
